Re: Retirement Application  
MS # [REDACTED]

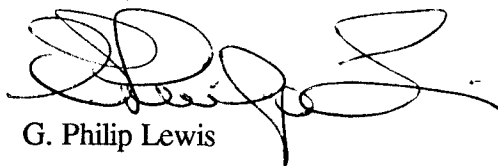

Dear Sirs;

Enclosed please find your Return Card together with a copy of my birth certificate and a copy of my wife's birth certificate. She was born Alice Lucinda Ritzendollar and has, since our marriage in 1973, used the legal name of Lucinda R. Lewis.

I do note in your letter of July 7, 2000 that you refer to my application as being 'effective March 1, 2007.' On my Application for Retirement Allowance, I did request an effective date of July 1, 2000 since I also submitted an Application to Purchase Service Credit for a total of approximately 29½ years of service to the County of Salem and in the U.S. Navy. Please also note that I submitted to your office a copy of my letter of June 21, 2000 to Joanne H. Bell, CFO of Salem County which transmitted the required Employment Verification Form and Certification of Service and Final Salary - Retirement form to them for completion and submission to your office.

If there is any other information which you require, please contact me.

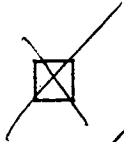

Sincerely,

G. Philip Lewis
