RE: [REDACTED]

Dear Member:

We have reviewed your request to purchase pension credit for the following type of service: **TEMPORARY**. A determination has been made that this purchase is not permitted based on eligibility criteria.

A review of your records indicate that the period of employment with **SALEM COUNTY** from **April 7, 1993** to **December 23, 1974**, is not eligible for participation in the Public Employees' Retirement System in accordance with Chapter 109, P.L. 1986. For this reason, you cannot obtain additional service credit for the above period.

If you have any questions regarding this, please contact Client Services at (609) 292-7524.
