**RE: AMENDED APPLICATION
PERS [REDACTED]**

We have received your amended retirement application.

Once processing is completed, your retirement must be approved by the retirement system's Board of Trustees. Your retirement benefit becomes due and payable 30 days after Board approval or 30 days after your effective retirement date, whichever is later.

If you are already receiving monthly benefits, do not return any pension checks. Any monetary adjustment to your retirement benefit will be reflected in future pension checks.

If you have any questions, please contact Client Services at (609) 292-7524.
