Re: Supreme Court of New Jersey - No. 56,012
G. Philip Lewis v. Board of Trustees, Public Employees Retirement System

Dear Mr. Halpern;

As you may recall, in March 2004, you handled my appeal to the NJ Supreme Court in the above captioned matter. I am in need of my file in your possession since I do not have copies of the documents filed by the State and may not have copies of all documents filed by you on my behalf.

Would you please have your staff send my complete file to the above address at your earliest convenience. Thank you for your assistance.

Sincerely,

G. Philip Lewis
